

JOSE PAGUAGA

WEB DEVELOPER FRONT-END JUNIOR

paguagaaguilera@gmail.com | Chinandega, Nicaragua | LinkedIn: Alejandro Paguaga

PROFESSIONAL SUMMARY

Motivated and detail-oriented Junior Frontend Web Developer with a solid foundation in modern web technologies including HTML, CSS, JavaScript, and responsive design. Skilled at building user-friendly, visually appealing, and accessible interfaces with a focus on performance and clean code. Familiar with frameworks such as React and version control using Git/GitHub. Strong problem-solving abilities, eager to learn new tools and best practices, and committed to delivering high-quality digital experiences. Collaborative team player with good communication skills and a passion for continuous growth in frontend development.

PROFESSIONAL EXPERIENCE

Alonso and Alonso Law Firm

Feb 2024 - Present

Legal Customer Service – Legal Team

Assisted the evidence team in preparing and reviewing legal documentation for immigration cases, ensuring accuracy and compliance with established procedures. Verified and organized supporting evidence to strengthen case submissions, maintaining high attention to detail and confidentiality. Collaborated with attorneys and case managers to guarantee all documents and evidence were complete and accurate before filing with immigration authorities.

Renewity

Jan 2022 - Jan 2023

Technical Support Specialist

Provided technical support for computer hardware, software, and operating systems, assisting clients with troubleshooting and resolving complex issues. Delivered clear guidance on system configuration and maintenance, improving customer satisfaction and reducing repeat incidents. Contributed to front-end web projects by assisting in design and maintenance using HTML, CSS, and JavaScript, ensuring functionality and user-friendly experiences.

Teleperformance

Dec 2020 - Dec 2021

Team Lead

Led a team of customer service representatives, ensuring high-quality performance and adherence to company standards. Monitored key performance metrics, coached and mentored team members to improve productivity and customer satisfaction, and successfully reduced escalations by implementing structured problem-solving strategies. Collaborated with management to streamline workflows, resulting in improved efficiency and stronger team engagement.
